

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Public Hearing to Consider Unmet Transit Needs in Lodi

MEETING DATE: November 19, 2008

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Conduct a public hearing to consider unmet transit needs in Lodi.

BACKGROUND INFORMATION: These public hearings are an annual requirement of the Transportation Development Act regulations. The San Joaquin Regional Transit District will be sponsoring several Unmet Transit Needs hearings to discuss unmet transit needs in San Joaquin County, including Lodi. To date, no comments have been communicated to staff. It should be noted that many of the comments are given directly via email to San Joaquin Council of Governments (SJCOG) staff throughout the year. At the conclusion of the comment period, SJCOG's Social Services Technical Advisory Committee will review all comments received in the County and make a recommendation to the SJCOG Board if they are unmet needs and, if so, if they are reasonable to meet.

FISCAL IMPACT: This hearing is required in accordance with the Transportation Development Act funds the transit system utilizes for operations and capital. If there are service changes or expansions that result from the hearing, the fiscal impact would be determined at that time.

FUNDING AVAILABLE: None required
